## ARTICLE PUBLISHING AGREEMENT

1. In consideration of the publication of your Article and subject to the provisions of the accompanying publishing agreement information form, you assign to us with full title guarantee all rights to publish the Article from which you keep the copyright. So that there is no doubt, this assignment includes the assignment of the authorization and the keeping of your copyrights. You authorize us:

- To publish, reproduce, distribute, display and store the Article on the website of the journal *TrajEthos* in all forms, formats and media now known or as developed in the future, including print, electronic and digital forms;

In the event the Article is not accepted and published by us or is withdrawn by you before acceptance by us, this agreement shall cease to be effective.

### *Publisher Responsibilities*

2. We shall prepare and publish your Article in the Journal *TrajEthos*. We reserve the right to make such editorial changes as may be necessary to make the Article suitable for publication, or as we reasonably consider necessary to avoid infringing third party rights or law; or as we judge that the submitted Article has already been published or published and not significantly modified, and we reserve the right not to proceed with publication for whatever reason.

### *Author's Rights*

3. You hereby assert your moral rights to be identified as the author of the Article.

4. You keep copyrights of the Article, but engage in avoiding double publication in another venue without changing it significantly.

5. You keep copyrights of the Article, but you agree not to request withdrawal from *TrajEthos* once the Article is published online.

### *Author Responsibilities in the Exercise of their Copyrights*

6. You are fully responsible for the Article from which you keep the copyrights, *TrajEthos* advises you that you:

- You are responsible for securing the necessary written permission from the appropriate copyright owner or authorities for the reproduction in the Article and in the Journal of any text, illustration, or other material that are not subjected to accepted norms of scientific referencing;

- You warrant that, apart from any such third party copyright material included in the Article, the Article is your original work, and does not infringe the intellectual property rights of any other person or entity and cannot be construed as plagiarizing any other published work;

- You warrant that the Article is not currently under submission to, nor is under consideration by or has been accepted by any other journal or publication;
- You warrant that the Article contains no statement that is abusive, defamatory, libelous, obscene, fraudulent, nor in any way infringes the rights of others, nor is in any other way unlawful or in violation of applicable laws;
- You warrant that wherever possible and appropriate, the Article fully complies with the Ethical standards of your home institution with regards to the subjects of your research.
